You got into this business to create great experiences — not to spend your evenings answering texts, chasing no-shows, and posting on Instagram. AI can take those tasks off your plate.

The Biggest Time-Wasters in Your Business

- | | |
|--|--|
| • No-shows and last-minute cancellations cost you money | • Client retention drops without regular follow-up |
| • Hours spent answering booking questions by text/phone | • New stylists take weeks to learn your service menu & pricing |
| • Inconsistent social media presence hurts new client growth | • Upselling retail products feels awkward and inconsistent |

Where AI Makes the Biggest Impact

AI Booking Assistant

A chatbot on your website or Facebook handles appointment

No-Show Reduction

Automated SMS reminders sent 48 hrs and 2 hrs before each

Social Media Content

AI generates weekly Instagram captions, before/after post ideas, and seasonal promotions in your salon's voice.

requests 24/7 — even while you're with a client.

reduce no-shows by up to 40%.

Loyalty & Re-booking	Retail Upsell Prompts	Staff Training Aid
Automated follow-ups remind clients to rebook 4-6 weeks after their visit, keeping your chair full.	AI-suggested product recommendations tied to each service, sent post-visit to drive retail sales.	AI-generated service menu guides, FAQ docs, and onboarding checklists for new stylists.

Quick Wins — Start Here

- Set up automated appointment reminders via text (start with free tools like GlossGenius or Vagaro)
 - Create a 30-day Instagram content calendar using ChatGPT in under 1 hour
 - Build a simple FAQ chatbot for your Facebook page — handles 'Do you take walk-ins?' all day
- Write a re-booking follow-up text sequence for clients who haven't returned in 6 weeks
 - Draft a retail recommendation script for your stylists using AI — consistent upselling without the awkward pitch
 - Use AI to write your Google Business profile description and weekly update posts
